Experience

First Hawaiian Bank

Summer Associate, Wealth Management

Honolulu, Hawai'i

June 2025 - Present

- Assisted in reviewing and developing financial plans and portfolios for 10+ clients, incorporating tailored investments, estate strategies, and tax-efficient recommendations to help them achieve their financial goals.
- Led economic and market update sessions and observed opportunity planning discussions for new and potential clients, gaining exposure to onboarding processes and client relationship strategies.
- Managed client data in the Raymond James CRM, ensuring data integrity and compliance with policies and regulations while improving advisor efficiency and reporting accuracy.

Gen.G

Practicum, Financial Analyst Intern

Seoul, South Korea

May 2025 - June 2025

- Conducted market and property analysis for a multi-million-dollar venture (GGX), assessing competitors, location potential, market opportunities, and industry trends, identifying 5 key risks and growth drivers to support investment decisions.
- Evaluated a value-add revenue stream for a proposed asset expansion, analyzing operational capacity, internal resource capabilities, and market demand, forecasting an additional \$290K in annual revenue to enhance projected returns.
- Built a dynamic bottom-up P&L forecast model in Excel from scratch for a new business initiative, projecting \$1.2M in annual revenue and \$450K in net profit to support strategic planning.

Leadership & Projects

First Hawaiian Bank x Aloha Harvest

Project Coordinator

Honolulu, Hawai'i

July 2025 - Present

- Led outreach and marketing efforts for a food drive partnership, setting up the campaign website, distributing invitations to hundreds of participants, and helping raise over 2,000 lbs of food for local communities.

Business Executive Society of Tomorrow

Member

Honolulu, Hawai'i

September 2024 - Present

- Engaged in career workshops, networking events, mock interviews, firm tours, and community service events to build technical skills, professional exposure, and community involvement.

Security Analysis and Portfolio Management

Class Project, Shidler College of Business

Honolulu, Hawai'i

January 2025 - May 2025

- Performed a global industry analysis on the Utilities sector (XLU), and then conducted equity research on Sempra (SRE), analyzing key drivers and risks to build a valuation using DCF, comparable multiples, and scenario analysis.

Financial Aspects of New Ventures

Class Project, Shidler College of Business

Honolulu, Hawai'i

January 2025 - May 2025

- Acted as a financial consultant for a startup, building pro forma financials, researching industry comparables, and conducting valuations using multiples and the discounted IPO method to support equity fundraising strategy.

Bank of Hawaii

Mentorship Program, Mentee

Honolulu, Hawai'i

February 2025 - April 2025

- Participated in networking, workshops, career exploration, and professional development. Shadowed FP&A mentor during month-end review processes, gaining exposure to general ledger analysis and internal reporting workflows.

Interact: Rotary Sponsored Club

Volunteer

Waipahu, Hawai'i

August 2019 - June 2020

- Led volunteer teams to organize service events, coordinate logistics, and distribute meals and supplies to 150+ families, ensuring smooth operations.
